## Sylvester Monye new chairman of AEP Nigeria Ltd.

**Professor Sylvester Monye, chairman of AEP Nigeria Ltd.**

AEP is very glad to introduce Professor Sylvester Monye, the new chairman of AEP Nigeria Ltd. The company was incorporated in 2014 and participated by AEP Ticketing Solutions to cover the West African English-speaking markets.

*"It's a big satisfaction for us that a person of the prestige of professor Monye has decided to accept our proposal for leading AEP Nigeria", said Mr. Saverio Bettini Managing Director of AEP Ticketing Solutions, "we strongly believe in African markets that can benefit from our proven systems and products".*

Professor Monye, formally the head of the Presidential Delivery Unit, is a well-known personality in Nigeria. With his capabilities, he will ensure that the new African Company will follow the guidelines, such as quality and customer partnership, that in less than fifteen years have made AEP Ticketing Solutions one of the most important operators of the Automated Fare Collecting Systems for Public Transport.

AEP believes that success is based on long-term Customer's satisfaction and wishes to be considered by Customers as a trustworthy and reliable partner, rather than a simple supplier.
